

Pamunkey Regional Library

OverDrive App

With the OverDrive Media Console app, you can download ePub eBooks and .mp3 audiobooks directly to most Android, BlackBerry, Apple and Windows smartphones and tablets. You can find a complete list of compatible devices at www.overdrive.com/resources/drc/.

Step One - Download the OverDrive App

With this app, you can access our OverDrive library directly from your mobile device.

- Search for 'OverDrive' in your device's app store or visit <http://prl.lib.overdrive.com>, scroll to just under the New Books section of the page and follow the link to the app there.
- Follow the instructions to download and install the app.
- You can log in with your library card and password/Pin. If you have never changed your password/Pin the default is 'changeme'

Step Two - Find Our Library in the App

- Open OverDrive (if it is not already open).
- Find the **Home Menu** icon which looks like . It's in a different location depending on your device. You may need to select it from your device menu.
- Choose '**Add a Library**' on the next screen.
- Search for '**Pamunkey**' in the search box.
- Select '**Pamunkey Regional Library**' or one of our branches from the list.
- Tap or click the star next to our library name to add us to your library list. By doing this, the app will remember we are a library you use frequently. When you go to the home menu in the future you won't have to search for us.
- Select the library to go to our OverDrive library site.

Step Three - Find a Book to Download

- In the OverDrive app, go to the **Home Menu**.
- Select our library.
- Browse or search for an ePub eBook or mp3 audiobook.
- Select '**Borrow**'.
- Enter your library card number and PIN.
- For eBooks:
 - Select '**Download**' to read the book in the app.
 - Choose '**EPUB**' then '**Confirm & Download**' and the book will download to the app.
 - The book will be available in the 'Bookshelf' section of the app.
 - Choose '**Kindle**' to read the book on a Kindle app on your device
(*may not be available for all titles or devices*)
 - Select '**Read**' to read the book in your internet browser (may not be available for all titles)
- For audiobooks:
 - Select '**Download**' to download the audiobook to the app.
 - The audiobook will be available in the '**Bookshelf**' section of the app.
