- A mobile device or computer

## GETTING STARTED

1. Find the free Magzter Library app in your device's app store and install it. (Note: the Magzter Newsstand app  requires a paid subscription. Be sure to download the **Magzter Library app**  for free access).
2. If you're a computer user, you can access Magzter Library in a web browser by visiting [library.magzter.com/login](http://library.magzter.com/login).
3. Follow the prompts on the screen to set up the app on your device.

## USING THE MAGZTER LIBRARY APP

A menu bar is located at the bottom of the screen: **Home, My Collections, Account**

Home (where you start) allows you to browse and search Magzter's collection.

- Browse offerings by scrolling.
- Use the Search Magazines and Newspapers bar at the top to find specific publications.
- Tap the slider icon next to the search bar to select your preferred language and refine your category of interest.
- Tap a cover that interests you:
  - Tap the star icon to add the publication to your Favorite tab and the information icon for more details about the selected issue.
  - Tap the blue Read button to download and begin reading.
- While reading, tap your screen once for additional options: Share, Bookmark, Crop and Share, Swipe Direction. Tap screen again to exit.

Within My Collections, there are three tabs located at the top of the screen:

- On My Device allows you to view titles currently stored on your device. You can continue reading or remove titles from your Recently Read list.
- Publications that you have previously "starred" or marked as favorite will be stored in the Favorite tab.
- Publication pages that you have previously bookmarked will be stored within the Bookmarks tab.

In the Account section you can:

- Edit your user name, access app help and support, learn more about Magzter, rate the app, manage your password, and log out of your account.

*Thanks to the Henrico County Public Library for graciously sharing their Magzter flyer for use by Virginia libraries.*
